GWALIOR STATE GAZETTEER.

PART III.

PREFACE.

Part III contains a list of villages in the State arranged by Districts.

During the compilation of the Gazetteer, the first work of the kind undertaken, it was found necessary to visit all villages of any importance as the records in the revenue department did not, in all instances, give the information required. It was suggested by the Gazetteer Officer that as so much detailed information was being collected it would not entail any excessive amount of extra labour to compile a village list, which would be of immense use to revenue officers and the next Census Superintendent, besides being of great general utility.

On the proposition being laid before His Highness he at once accepted the publication. The work was commenced but not completed before I proceeded to England and its direction fell entirely to the Gazetteer Officer. Although all care has been taken to make the list complete errors are certain to have occurred in a first issue, which will be rectified as they are met with, so that a revised list will be issued after the next Census in 1911. The compilation of this long list was a light task and being supplementary to the regular Gazetteer involved the use of much extra labour. Besides Rai Sahib Pandit Dwarka Nath Sheopuri, Gazetteer Officer, Munshi Har Narain Saksena, Head Clerk, Munshi Latif Ahmad, Assistant Gazetteer Officer, as well as the Sūbas and Tahsildars in charge of revenue were jointly concerned in the production of the list and deserve great credit for the way in which they have brought their laborious work to a successful issue.

C. E. LUARD, CAPTAIN,
Superintendent of Gazetteer
in Central

November 1907.
